### Prayer Focus

'May the God of hope fill you with all joy and peace as you trust in Him, so that you may overflow with hope by the power of the Holy Spirit'

**- Romans 15:13**

As you pray through the points below, may you be filled with hope that care for older people in our society can be done really well.

#### **Thank the Lord...**

- For all those at Bridgemoor who have cared so well for older people over the years, and for the transfer of this home to us
- For individual staff members like Alice whose attention to detail in the small things makes a big difference to those who live with us
- For Louise Morse and the opportunities she has to speak about dementia from a Christian perspective

#### **Ask the Lord...**

- To inspire many people to pray during our Prayer Week, bringing older people in our society before the Lord
- To guide and energise our catering, maintenance and administration teams as they work hard to keep our homes and housing schemes running day-by-day
- For more people to hear about the homes and housing schemes we provide and to choose to come and live with us
