

Family Newsletter: **June**

Prayer Focus

“A new command I give you:
Love one another.
As I have loved you,
so you must love one another.”
- **John 13:34**

We are grateful to God for the many ways we see this command being lived out across our homes and housing schemes, with family members, occupants, staff and volunteers all serving one another in love.

Thank the Lord...

- For the possibility we have to build a new care home in Wanstead that will help us to serve older people in London
- For the many organisations and individuals who seek to champion the needs of older and vulnerable people in our society and those who care for them
- For David and others like him who lived through the Second World War and whose testimonies we can learn from them

Ask the Lord...

- To guide those standing for election, that they would be truly servant-hearted and honour the needs of older people
- That voters would find out each party's proposed policies with regard to social care and make an informed decision about where to place their vote
- That the collective wisdom of organisations and individuals championing older people would be listened to and acted on by those in positions of power
